## EXPERIENCE

### **Full Service Web Design**

#### Web Designer

12/2019 - PRESENT

Designed and developed multiple web pages using WordPress and front end design skills, working with clients to meet their needs

### **RcWilley**

#### Delivery Coordinating Supervisor

12/2007 - PRESENT

Supervised team of six, setting expectations to ensure efficiency and accuracy of day to day activities. Advanced knowledge in technology used by the company to ensure accurate delivery of product and adjusting the requirements based on the business needs. Partnered with the management team to de-escalate issues as they arise.

## EDUCATION

### **University of Utah**

#### Bachelor's Degree - Film Studies

08/2005

Emphasis on video production including, filming, sound editing, and video editing.

### **Salt Lake Community College**

#### Web Programming Certificate

08/2017

Emphasis of the certificate was building websites from the ground up, troubleshooting sites using development tools within the browser

## PROJECTS

### **Silvercreek Garden Boxes**

Developed a multiple page dynamic website for a local landscaping business using: HTML, CSS, Javascript, jQuery, and Bootstrap.

### **JAЕ Media**

Developed a photographer's personal online portfolio landing page using: JavaScript, HTML, CSS.

### **Reveo**

Designed and developed multiple web pages using WordPress and front end design skills, working with clients to meet their needs

### **Optimex pest control / Primesolar USA**

Designed both sites in WordPress, using the plugins: Easy logo slider, Gravity Forms, Page Builder by SiteOrigin and more. I met the client's needs and created a responsive site the client was proud of.
